Ultra-high performance, cost-effective and versatile. Berol ENV226 PLUS is an industry-leading, readily biodegradable and powerful surfactant system delivering highly efficient cleaning.

Smart surfactant system
The smart chemistry of Berol ENV226 PLUS provides the best solution for industrial and household cleaning applications. It is the heart of high-performance cleaning formulations.

Less chemicals, more chemistry
• Excellent cleaning even at very low concentrations
• Multifunctional product – perfect combination of strong wetting, powerful emulsifying and excellent dispersing properties
• Unique synergy of powerful surfactants and cleaning boosters
• Exceptional cleaning of fat/oil and particulate soils on hard surfaces

Versatile cleaning applications
The powerful cleaning performance of Berol ENV226 PLUS is used for a wide range of applications:
• Household cleaning – floor, kitchen, bathroom
• Institutional cleaning – hospitality, health care, restaurants
• Industrial cleaning – metal degreasing, engine cleaning, vehicle cleaning
• Water-based multi-purpose hard surface cleaning

Comparative performance of Berol ENV226 PLUS vs. commercial all-purpose cleaners

The formulator’s delight
• Makes your life easier – proven technology
• First choice for your cleaning portfolio
• Progressive customers use Berol ENV226 PLUS from routine to the most challenging cleaning tasks
About Nouryon
We are a global specialty chemicals leader. Markets worldwide rely on our essential chemistry in the manufacture of everyday products such as paper, plastics, building materials, food, pharmaceuticals, and personal care items. Building on our nearly 400-year history, the dedication of our 10,000 employees, and our shared commitment to business growth, strong financial performance, safety, sustainability, and innovation, we have established a world-class business and built strong partnerships with our customers. We operate in over 80 countries around the world and our portfolio of industry-leading brands includes Eka, Dissolvine, Trigonox, and Berol.
